

# Auxiliary Board

## Snow City Arts Questionnaire

Thank you for your interest in the Snow City Arts Auxiliary Board!

Each year, 161,000 children in Illinois are hospitalized, and a significant number of them regularly miss school because of their need for treatment. Snow City Arts turns that time to heal into a time to learn, providing arts education and opportunities for young patients to explore and develop skills in creative writing, music, visual arts, theater, and media arts. Snow City Arts inspires and educates children and youth in hospitals through the arts.

Since the launch of the Auxiliary Board in 2011, it has accomplished a great deal. We have raised a net total of \$452,258 to support the mission of Snow City Arts. We have hosted seventeen Auxiliary Board-sponsored fundraising events. We have established six unique Auxiliary Board committees. We have organized five race teams, recruiting 172 runners, and collectively raising over \$105,672 through runner sponsorship...and with your help, this is just the beginning!
